SUMMARY

Full Stack Web Developer with a background in Computer Systems Engineering and life-long dedication to learning. I'm hard working, patient and do well under pressure. I'm a great team member and I'm always eager to expand my skill set, most recently demonstrated through a successful completion of the Full Stack bootcamp at Vanderbilt University.

TECHNICAL SKILLS

HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, NodeJs, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

PROJECTS

Day Vibe | https://rcubillo.github.io/projectone/ | https://github.com/rcubillo/projectone.git
Day Vibe is an entertainment web application targeted towards teens and young adults in Nashville.
- Contributed to the Spotify section of the website and participated in the creation of the Spotify API
- Technologies: HTML5 | BULMA | CSS3 | JAVASCRIPT | JQUERY | PARALLELS DOTS API | ZOMATO API | SPOTIFY | MOMENTS.JS | FIREBASE

ServUs | https://radiant-tor-14793.herokuapp.com/ | https://github.com/rcubillo/projecttwo.git
ServUs Nashville is a volunteer community board where users can post/search volunteer opportunities.
- Contributed to the user authentication of the app, and helped transfer the data from the database to the DOM
- Technologies: EXPRESS | JS | HTML5 | CSS | NPM | BCRYPT | PASSPORTJS | JQUERY | SEQUELIZE

PROFESSIONAL EXPERIENCE

Nashville Coaching Coalition | Nashville, TN   March 2019-Present
Web Development Volunteer - I updated their Wordpress site and incorporated Kindful CRM. I also Clipped/edited videos and managed their YouTube channel.
- Successfully made the required changes to the website and managed website moving forward.

Vision2 Marketing | Nashville, TN   Sept 2018-March 2019
IT Technician Internship - Filled various rolls including refining their CRM with FileMaker and data entry, assisting staff with hardware and software support and remaining on call for whatever IT tasks the staff might need.
- Restarted the operating systems on approximately 3 computers.
- Installation of a local printer and replacement of a hard drive on a Lenovo laptop.
- Added and updated all company contacts on FileMaker.

Tek-Experts | San Jose, Costa Rica   May 2017-June 2018
Technical Support Engineer - Acted as the primary technical service contact for three different Micro Focus and HPE Software products and provided technical support in English to international product users. I also delivered advanced technical troubleshooting and problem-solving solutions for corporate customers and collaborated on cross-team and cross-product technical issues.
- Interacted with around 10 customers a day to ensure satisfaction.
- Always kept performance evaluations excellent.

Maximo Nivel/COSI | San Jose, Costa Rica   Jan 2014-April 2017
Client Service Manager - Organized and managed volunteer projects and housing for overseas volunteers and students and created and managed schedules for language classes within language institute. I also remained available for abroad students and volunteers in case of emergencies.
- Managed over 100 clients during busy season and around 30 during normal season.
- Managed schedules of 5 language teachers and up to 15 students.
